

# How to book online

## For Hunters Hill Private Hospital

Our objective is to ensure that your admission runs smoothly, and that everything is ready and organised for you when you arrive at reception on the day of your admission. In order to achieve this we would like you to let us know as soon as possible that you are coming to the hospital.

### You can do this by:

1. Visiting us online at: [www.huntershillprivate.com.au](http://www.huntershillprivate.com.au)
2. Follow the links to the online admission
3. Create a MyCare account with your email address and password
4. Complete a new form.

Completion of your first form will take approximately 30 minutes.

MyCare will save this information in your secure account. If you need to be admitted to the Hospital again you can log in and submit a new form where you will have the option to update any information that may have changed from your previous admission.

If you have any queries, please don't hesitate to email or call:
